Summary

Full Stack Web developer with a strong background of market analysis, forecasting and budgeting. Recently completed Coding boot camp from University of Texas - San Antonio and added new skills in HTML, CSS, Javascript and responsive web design. Adaptable to changes and easy to collaborate with a team. Experienced in customer service which helps implement ideas/needs from user-side. Passionate in data analysis and problem solving. Excited to practice my new skills along with my background to help improve the company's finance and business level.

Technical Skills

Languages: JavaScript

Frontend Applications: HTML4, CSS, JQuery, Bootstrap, AJAX
